Position Purpose
Residence Safety Team Leads are current University of Ottawa students hired as casual employees to provide support, mentorship and leadership to teams of Residence Safety Ambassadors who improve the student experience and assist in ensuring the safety of members of the university’s residence community in a courteous, helpful and professional manner. Team Leads accompany Safety Ambassadors on patrols of all residences 365 days a year including during hotelling season to supplement the safety and security of students and visitors to our campus staying in our residences. Team Leads work closely with Residence Life, Client Relations and Protections Services in the education and compliance of Housing policies within uOttawa’s residences.

Specific Accountabilities
1. Provides support, mentorship and leadership to teams of Residence Safety Ambassadors during their shifts including acting as a resource person for challenging incidents and offering peer guidance.
2. Acts as the liaison with Protection Services and Client Relations when dispatching teams to respond to calls.
3. Focusing on both education and compliance, works to ensure services and support to meet stakeholder expectations and needs, encourages student participation in the University and broader communities, and contributes to a positive student experience overall.
4. Applying equity, diversity, and recovery principles, supplements proactive patrols of all residences, provides nightwatch services and provides an appropriate initial response when required.
5. Observes and reports incidents that may require a higher level of immediate intervention to Protection Services.
6. Responds to calls for service as directed (e.g. door unlockings, gatherings, noise complaints) using a variety of techniques and strategies including de-escalation, mediation, facility inspections, and proactive patrols to supplement the safety and security of the residence community.
7. Helps to build community in residences by engaging in positive interactions with residents and fostering relationships with other employees and partners.
8. Ensures interventions in residences are consistent with University, Housing and Residence Life policies and protocols as well as other relevant legislation and guidelines including ensuring proper documentation and resolution of incidents involving residents.
9. Maintains confidentiality of any personal or sensitive information.

Essential Qualifications
- Must be enrolled in a University of Ottawa degree program.
- Must obtain and maintain Standard First Aid Level C with CPR and AED certification.
- Must have a Criminal Background Check – Vulnerable sector from within the last two years, acceptable to the University.
- Minimum of two years’ experience in a customer service related position.
• Minimum of two years’ experience in a supervisory related position.
• Must be at least 18 years of age and eligible to work in Canada.
• Must attend two weeks of mandatory training at the end of August and participate in ongoing training as required.
