- Brand new Aisis gas machines
- Onsite CT, US, blood bank, as well as glidescopes, hi flow O₂, Bipap, Vents for transfer
- Optional turn-key office in new professional building on hospital campus; FHO opportunities; ER, LTC, palliative care, hospitalist may be available.

The ideal candidate will possess the following skills, education and experience:
- Family Practice (Anaesthesia) or FRCP(C) welcome
- ACLS, ATLS
- Independently licensed to practice medicine in Ontario

New grads welcome.
Eligible for federal Tuition Reimbursement Program.
Accommodations available for part-time/locum coverage

Our physicians are mostly local. Calabogie, Renfrew, and the entire Ottawa Valley are stunning places to live and raise a family and, for physicians interested in seeing the area, tours are easily arranged and you are welcome to speak with any of our physicians. Physician retention is exceptionally high here. With the twinning of the highway from Ottawa to Renfrew coming soon, it is expected that Renfrew will grow significantly in the coming years.

Named the ‘Most Welcoming Town 2017’, Renfrew provides an exceptional quality of life. We offer well rounded, top-tier educational opportunities, excellent health care, and a thriving business sector with unique shopping exemplified by the town’s historic buildings and specialized shops. Located in the Ottawa Valley, Ontario’s adventure playground, you are only minutes from over 6 million acres of pristine waterways, rolling woodlands and forests, providing some of Ontario’s best opportunities for whitewater rafting, kayaking, canoeing, surfing, hiking and fishing, all only 45 minutes from Ottawa.
