APPROVAL OF CONTRACT

All parties will respect the terms of the agreement described in this contract. Any change made in the contract during the field placement must be discussed and agreed upon by all parties involved.

The student has read the Code of Ethics of the Canadian Association of Social Workers and agrees to adhere to the principles and rules of conduct.

The student has read and understands the *Confidentiality Guidelines* as well as the policies of the placement organization in regards to confidentiality, the use of any type of social medias and the storing of data.

The student and the supervisor have read and understand the policies and procedures of the School of Social Work and the University of Ottawa regarding accessibility for people living with disabilities and regarding equity, diversity, inclusion, harassment and discrimination (these policies are found in the practicum manual).
